

JOB OPPORTUNITY – HEALTH, SAFETY, ENVIRONMENT AND TRAINING MANAGER (BASED IN LAO ON PROJECT SITE)

VALENTIS – INTERNATIONAL EXPLORATION SERVICES COMPANY
AT VALENTIS, OUR MOTTO IS “GROWING OUR FUTURE TOGETHER!”

Valentis is an Australian exploration services group operating in Southeast Asia. Established in 2014, Valentis provides turn-key exploration and drilling services at an international standard.

Valentis is looking for a **Health, Safety, Environment and Training Manager** to assist with our growing project requirements.

Key Benefits

- Working with an international team, with diverse project experience.
- Be part of a growing and dynamic company.
- Accommodation and meals provided.
- Roster to be discussed depending on home location given Covid situation
- Competitive salary.

Overview

Based at the Sepon Mine in Laos, you will lead a team responsible for all Workplace Health and Safety compliance, system management and training.

You will provide direction to all levels of staff in relation to health and safety matters, completing audits, risk assessments and drive the goal of zero harm and continuous improvement.

You will report to the Site Manger.

Required

- A thorough understanding of Workplace Health and Safety legislation, systems and compliance.
- Certificate IV in WHS or equivalent Lao certifications
- Previous experience in drilling and/or mining operations
- Incident investigation experience
- Experience in designing and delivering training courses
- Ability to interpret and apply workplace health and safety legislation
- Excellent communication and employee engagement skills
- Thorough documentation management, including via use of online WHS system
- Positive attitude and attention to detail
- English proficiency in four skills
